**REPORT ON EMG NCV WORKSHOP ORGANISED BY  
MAEER'S PHYSIOTHERAPY COLLEGE, TALEGAON DABHADE**

DATE: 31<sup>st</sup> August, 1<sup>st</sup> Sept, 2<sup>nd</sup> Sept 2018

Number of Participants : 19

Resource Person: Dr. Manisha Talpallikar

Organiser: Dr. Sayli Paldhikar and Department of Neurophysiotherapy

MAEER'S Physiotherapy College, in association with Department of Neurophysiotherapy organized a 2 and a half day hands on workshop on EMG NCV by Dr. Manisha Desai- Talpallikar on 31st August, 1st Sept, 2nd Sept 2018.

This Workshop was aimed at Faculty, post graduate students, interns and final year B. P.Th students interested in electro diagnosis.

19 participants from all over Maharashtra including 2 MAEER'S Physiotherapy College staff, Dr. Priya Chitre and Dr. Sanjivani Kamble attended the workshop.

On 31<sup>st</sup> August 2018, after registration and breakfast from 9-9.30, inauguration of World Physiotherapy Week celebration was done at the hands of Dr. Manisha in New Lecture Hall, followed by a lecture till 1pm. Post lunch participants were given hands on demonstration and practice of NCV in Core lab of Physiotherapy College on 3 separate instruments.

Breakfast, lunch and hi tea was arranged on all 3 days. Lecture notes were distributed via email to all participants.

On day 2 and day 3, a total of 7 patients were also called for demonstration of EMG NCV on different conditions. Participants were also shown how to read EMG NCV reports. Everyone was given several reports for practicing analysis.

On day 2 and 3, all participants also got opportunity to practice needle EMG on each other as well as patients. DR. Manisha interacted with every participant to explain their queries.

At the end of the event, post workshop feedback forms were distributed and collected from all participants. Certificates were distributed and workshop concluded with a vote of thanks by

Dr. Priya Chitre.
