**REPORT ON 'PNF: Theory to Practice' WORKSHOP ORGANISED BY  
MAEER'S PHYSIOTHERAPY COLLEGE, TALEGAON DABHADE**

DATE: 17<sup>th</sup> and 18<sup>th</sup> August 2019

Number of Participants : 32

Resource Person: Dr. Harpreet Singh Sachdev (P.T)

Organiser: Dr. Sayli Paldhikar and Dr. Priya Chitre

MAEER'S Physiotherapy College, in association with Department of Neurophysiotherapy organized a 2 day hands on workshop on 'PNF: Theory to Practice' by Dr. Harpreet Singh Sachdev (P.T) on 17<sup>th</sup> and 18<sup>th</sup> August 2019.

This Workshop was aimed at Faculty, post graduate students, interns and final year B. P.Th, 3<sup>rd</sup> year B.P.Th students interested in PNF.

32 participants from all over Maharashtra including 4 MAEER'S Physiotherapy College staff, Dr. Sayli Paldhikar, Dr. Priya Chitre, Dr. Sumitra Sakhwalkar and Dr. Tanpreet Kaur Mehta attended the workshop.

On 17<sup>th</sup> August 2019, after registration and breakfast from 9-9.30, the workshop began with introduction of the resource person as a level 1 PNF certified instructor, followed by a theory lecture upto 1 pm.

Post lunch participants were given hands on demonstration and practice of PNF patterns and techniques of the shoulder girdle, pelvic girdle and upper limb patterns in Core lab of Physiotherapy College. The instructor ensured that every participant had proper supervised practice, correction of techniques and good interaction and resolution of queries.

Breakfast, lunch and hi tea was arranged on all 2 days. Lecture notes were distributed via email/ whatsapp to all participants.

On day 2 , Lower limb patterns and techniques, PNF for gait and Breathing as well as use of therabands and ball for PNF was practiced by the participants.

Dr. Harpreet interacted with every participant to explain their queries.

At the end of the event, post workshop feedback forms were distributed and collected from all participants. Certificates were distributed and workshop concluded with a vote of thanks by

Dr. Sumitra and Dr. Tanpreet.
