• The graph below shows the change in the individual scores of the participants:

Programme Evaluation:

Analysis of the Programme evaluation questionnaire to obtain feedback on the effectiveness of the workshop as follows:

Questions	Yes	No	Not sure	Total
Were the objectives of the workshop largely achieved?	(100%)	(%)	(%)	100%
Do you find workshop useful for your professional activities?	(100%)	(%)	(%)	100%
Were the faculty resourceful/helpful?	(100%)	. (%)	(%)	100%
Do you think you will be able to implement what you have learnt during the workshop?	(100%)	(%)	(%)	100%
Did the workshop have a balance of theory and practical?	Too much of Theory (42%)	Too much of Practice (%)	Optimum theory & practice (58%)	100%
Was the time management satisfactory?	Program was too tight (26%)	Program was too relaxed (%)	Program was optimum (74%)	100%

Comments from Participants /Resource Faculty:

- 1) Lectures and group activities on Study designs, Critical analysis of journal article and ethical issues in research was very informative
- 2) The Literature search and Reference management software was best part in this workshop
- 3) Group activities were interactive and nicely conducted

Suggestions from Participants / Resource Faculty:

- 1) Group Activities could have been given more time
- 2) Adequate breaks between two session should be given
- 3) Include more group activities and reduce lecture/Theory time
