1st Annual Physiotherapy Conference

KINESIOCON 2019- Moving towards tomorrow, 19th January 2019

Theme- Updates in Sports science and physiotherapy

The registration committee started the registration process in the month of October 2018.

Registration forms were made by the use of Google forms. The testing of effective working of online registration was done by the registration committee and finalization was done after approval from higher authorities.

There was provision of online registration for delegates as well as manual form filling option was also provided for the in-house delegates. The early bird and late bird fee for registration was established as well.

The total registration obtained were 189 including external and in-house delegates by month of January. The external delegates came from different colleges all over Maharashtra. However due to overwhelming response, the registration process had to be stopped.

On the day of conference, 19th January 2019, registration started from 8am. The kit (including notepad, pen, CD of Kinesiocon 2019, schedule of conference, flyer of sponsorers, ID cards along with breakfast and lunch coupons and feedback form) was provided to all the delegates.

After Valedictory function, at 6pm, feedback forms were collected and certificates were given to all the delegates.
