

MAEER'S PHYSIOTHERAPY COLLEGE

Talegaon Dabhade, Pune 410507

VISION:

Evolving Physiotherapy Education and Practice in the country through an output of efficient and well-trained Physiotherapists, who will adhere to the code of ethics and professional conduct while fulfilling their personal, social and professional obligations.

MISSION:

To help students of physiotherapy for developing and sharpening the intellectual and human potential for the good of society by using advanced technology , sound medical knowledge and scientific and research based approach / attitude.

MAEER 'S Physiotherapy College (MPC) was founded in 2006. It is affiliated with Maharashtra University of Health Sciences, Nashik. The college is recognized by Maharashtra OT / PT Council and Indian Association of Physiotherapists (IAP). Experienced professionals specialized in various branches of physiotherapy constitute the faculty of MPC. They are supported by staffs who work closely with the medical, nursing and other allied aspects of health care. MPC with its state of art, equipment's and efficient staff assures you quality education in physiotherapy. It offers both graduate and postgraduate degrees in physiotherapy.

Physiotherapy is a health care profession which provides service to individuals in order to develop maintains and restore maximum movement and functional ability throughout life. This includes providing service in circumstances where physical movement and function are threatened by aging, injury, disease or environmental factors.

The students of the college are exposed and trained not only through the modern means of didactic teaching, but also through training in the form of hands on experience in our 500 bedded DR Bhausahab Sardesai Rural Hospital, Talegaon Dabhade (BSTRH) attached also with MIMER medical college.
